

Fire-Medic Group

Control your event with the proper safety measures in place

Plan an event with peace of mind knowing you have a fully trained staff on standby to help in emergencies. You can get a standby ambulance or an ATV with all necessary medical equipment. You'll know you're prepared during your big event.

We provide EMTs or Paramedics for:

- Special events
- Concerts
- Rodeos
- Any event that may need an EMT or medic on standby

Get fully-equipped medical personnel for your event

With trained professionals ready to go to work, you can depend on us to care for every medical situation you are faced with. Focus on your event knowing you have medical support behind you for the unexpected occurrences that can happen at any time.
